## **Welcome to the Athena Career Academy LPN to RN Program!**

Congratulations on your acceptance into the LPN to RN Diploma Program. We are excited to share this next milestone in your nursing career. Your nursing education will be both challenging and rewarding. You will be expected to actively engage in the learning process here at Athena, through a variety of learning experiences that are designed to prepare you to become a professional registered nurse. The nursing program will require you to devote a considerable amount of time and commitment to your studies to be successful. Success will require a change in thinking, beliefs, and habits as you transition from the role of practical nurse into the role of a registered nurse. It will be essential that you find ways to balance and manage your time to allow for sufficient study time outside of the school day, class, simulation laboratory, and clinical attendance.

Be assured that every faculty member, as well as every member of the Athena Team, is eager to help you succeed in your nursing career. I look forward to working with you and to your successful completion of this rigorous nursing program.

Sincerely,

Suzanne Smith, MSN, RN, Director of Nursing Education

## **ATHENA CAREER ACADEMY REGISTERED NURSING DIPLOMA PROGRAM**

### **MISSION STATEMENT**

Athena Career Academy's mission is to provide quality educational programs that produce a competent and educated workforce.

### **VISION STATEMENT**

Athena Career Academy's vision statement is to excel in providing students with quality programs that inspires a respect and value for lifelong learning.

### **PROGRAM PHILOSOPHY**

The faculty of the Athena Career Academy LPN to RN PROGRAM are committed to providing quality education as a prerequisite to placing competent and caring nurses in healthcare employment. Our objective is to provide support and encouragement to students so that they may promote, maintain, and restore wellness in mind, spirit, and body.

Athena Career Academy also provides the necessary knowledge, skills, and tangible applications, frameworks of analysis and synthesis of information, scientific principles, and appropriate legal and ethical considerations to foster critical thinking in the delivery of nursing care. The LPN to RN PROGRAM delivers an organized, goal-directed learning process by which knowledge, skills, and professional behaviors applicable to the biological, physical and technological sciences. Social and behavioral sciences are presented to encompass an understanding and to assist in communication with individuals and groups across the lifespan.

At Athena, the student nurse will use the nursing process to plan, implement, and deliver safe nursing care. This will be demonstrated by the collection of data to develop nursing care plans, establishing a nursing diagnosis as well as implementation and evaluation of nursing actions. Our graduates will be able to professionally and appropriately collaborate with members of healthcare teams. The achievement of these objectives based in the science and art of nursing will prepare graduates to function safely and effectively within their defined scope of practice as a Registered Nurse.

### **CONCEPTUAL FRAMEWORK**

The curriculum in the Athena Career Academy LPN to RN PROGRAM is designed to prepare students in the core competencies performed by entry-level Registered Nurses toward assisting others in meeting their physical, mental, social, and spiritual needs in a variety of healthcare settings.

Integrated within the courses are objectives based on Watson's science of caring. These are defined as follows:

- **Nursing Process**: A scientific, clinical reasoning approach to client care that includes assessment, analysis, planning, implementation and evaluation
- **Caring**: The interaction of the nurse and client in an atmosphere of mutual respect and trust. In this collaborative environment, the nurse provides encouragement, hope, support and compassion to help achieve desired outcomes.
- **Communication and Documentation**: The verbal and/or nonverbal interactions between nurse and the client, the client's significant others and the other members of the health care team. Events and activities associated with client care are recorded in written and/or electronic records that demonstrate adherence to the standards of practice and accountability in the provision of care.
- **Teaching/Learning**: facilitation of the acquisition of knowledge, skills and attitudes promoting a change in behavior.
- **Culture and Spirituality**: Interaction of the nurse and the client (individual, family or group, including significant others and population) which recognizes and considers the client-reported, self-identified, unique and individual preferences to client care, the applicable standard of care and legal instructions.

## **ACCREDITATION AND LICENSURE**

Athena Career Academy has governing associations, agencies, or governmental bodies that accredit, approve, or license the school and its programs.

- The Ohio Board of Nursing
- The Council on Occupational Education (COE) 7840 Roswell Road, Building 300, Ste 325, Atlanta, GA 30350, Telephone: [770.396.3898](tel:770.396.3898) / FAX: [770.396.3790](tel:770.396.3790), [www.council.org](http://www.council.org)
- Ohio Board of Career Colleges and Schools

Athena Career Academy will provide a copy of the school's documents describing its accreditation, approval, or licensing. Athena Career Academy does an annual report for COE as well as the Ohio Board of Career Colleges and Schools, and the Ohio Board of Nursing. The three agencies also conduct visits per their governing schedules. Students are encouraged to contact the Ohio Board of Career Colleges with any complaints.

## **NCLEX-RN**

In order to obtain permission to sit for the NCLEX-RN licensure exam, Athena Career Academy's LPN to RN program will provide the prospective graduate with information regarding application to the Ohio/Michigan Board of Nursing. Information regarding application for licensure, if the graduate chooses to test and be licensed in a state other than Ohio/Michigan, should be sought from that Board of Nursing or appropriate licensing authority in that state. Application for licensure will be the responsibility of the student. Once the student has completed the requirements for the program, the Director/Designee will submit the appropriate forms to the selected board of nursing indicating that the graduate has completed the approved program and, therefore, has met the academic requirements for licensure. The selected board of nursing determines eligibility to sit for the examination. The graduate will receive authorization to test from their selected board of nursing and will then be able to schedule the NCLEX-RN examination with the testing center. (See graduation requirements for additional information).

**Academic Transcript verification:** The program requires all applicants to submit an official academic transcript from the applicant's Practical Nursing program to verify the completion of theory and clinical course(s) with C or better. Verification of academic transcript is to assure that candidates have met theory and clinical requirements identified in 4723-5-14 of the OAC for practical nursing programs in Ohio; Official Transcripts for all programs from which course work credit is being considered for transfer must be on file.

**Evaluation of Course syllabus:** Select course syllabi will be evaluated for the purpose of verifying course objectives that are integrated across several courses (i.e. not clear by course title on transcript).

**Licensure Verification:** Admission to the program requires that the LPN to RN applicant hold a current, valid, unencumbered license to practice as a Licensed Practical Nurse in Ohio. Licensure must include medications. This licensure requirement verifies that LPN has met the requirements to safely deliver nursing care to individuals and groups across the life span and has graduated from a program of study that met the requirements identified by the Board of Nursing to be licensed in Ohio.

**Military Education and Skills:**

The individual's military education and skills training records will also be reviewed by the program administrator. Based upon that review of military education and skills training records, determine whether any of the military education or skills training is substantially equivalent to the curriculum established under Chapter 4723-5 of the Administrative Code. Award credit for any substantially equivalent military education and/or skills training.

## **TRANSFERABILITY OF CREDIT**

≤65 = F..... 0 Grade Point

The grade point average (GPA) is the basis for calculating scholastic standing. Points are assigned per Athena Career Academy's grading policy (See above).

Grades are rounded to the nearest tenth (0.5 or higher will be rounded up and 0.4 or lower will be rounded down). Example: 79.5% = 80% 79.4% = 79%

### **Clinical/Lab**

Satisfactory= S/PASS

Unsatisfactory= U/Fail

**Reestablishing Academic Good Standing:** Seats are not guaranteed and are on a first come, first served basis. **Incomplete Grades/Class Repetition:** Students are graded by objective assessments that are developed around the information obtained from class lectures and reading assignments.

**\*\*\*All syllabi, calendars, and exam dates/schedules are subject to change\*\***

If not completed according to the policy enumerated above, the incomplete will revert to a grade of an F. The student may only repeat a class once. The repeated grade will replace the previous grade received. If the student fails a second time, they will be dismissed from the program. All credits attempted are calculated in the maximum timeframe for completion.

**ASSESSMENT TECHNOLOGIES INSTITUTE (ATI) POLICY**

**\*\*Please note any student who is caught cheating on any ATI assignments eg., copying another student's work, working as a group, or allowing the system to run unattended to accumulate time will be dismissed from the LPN to RN PROGRAM for academic dishonesty\*\***

**In the event a student is experiencing technical difficulties it is up to the individual student to seek assistance from ATI using the following number: 1-800-667-7531**

**Please note that ALL ATI due dates/times will be given to each student by the instructor and each student will sign/date acknowledging due dates/times and NO exceptions or extensions will be granted.**

ATI offers resources designed to enhance student academic and NCLEX success. This comprehensive program offers multiple assessment and remediation activities. These activities in combination with the nursing program content assist students to prepare more efficiently and increases confidence and familiarity with nursing content. Students will be assigned ATI tutorials/assessments during their course of study that are specific to the nursing content. In addition, ATI provides active learning/remediation which is a process of reviewing content in an

area that was not learned or mastered as demonstrated on an assessment. It is intended to help the student review important information to be successful in courses and on the NCLEX. ATI training will be provided by a faculty member of Athena Career Academy.

All ATI proctored assessments demonstrate a student's course readiness in a specific content area. Please see below for an explanation of the different levels of readiness.

### **Level 3**

Scores meeting the Proficiency Level 3 standard may be considered to exceed most expectations for performance in this content area. Scores at this level were judged by the content expert panel to indicate a student as likely to exceed NCLEX-RN® standards in this content area. ATI advises these students to engage in continuous focused review to maintain and improve their knowledge of this content.

### **Level 2**

Scores meeting the Proficiency Level 2 standard may be considered to exceed minimum expectations for performance in this content area. Scores at this level were judged by the content expert panel to indicate a student as fairly certain to meet NCLEX-RN® standards in this content area. ATI advises these students to engage in continuous focused review in order to improve their knowledge of this content.

### **Level 1**

Scores meeting the Proficiency Level 1 standard may be considered to meet the absolute minimum expectations for performance in this content area. Scores at this level are judged by the content expert panel to indicate a student as likely to just meet NCLEX-RN® standards in this content area. ATI advises these students to develop and complete a rigorous plan of focused review in order to achieve a firmer grasp of this content.

### **Below Level 1**

Scores below the Proficiency Level 1 standard can be considered below minimum expectations and may be indicative of significant risk in this content area. ATI strongly advises these students to develop and complete an intensive plan for focused review and remediation, including the use of ATI materials, textbooks, class notes, reference materials, and assistance from nurse educators.

## ATI Grading

---

### **Practice Assessment Assignments:**

Practice assessments will be given as an in-class assignment. A course grade may be given for the assignment at the discretion of the instructor. Even if a grade is not assigned to the assessment, it is a **REQUIRED** in class activity.

Remediation will be assigned based on score results as an individual or group activity by the instructor. Attendance and participation for the entirety of in class remediation is a requirement.

Students who are not present for the assessment will be required to find their own proctor and take the assessment prior to the group remediation.

Students failing to take the assessment prior to group remediation or students absent from group remediation will be assigned hand written remediation. Any practice assessment with remediation due within the same quarter of a proctored assessment must be complete and turned in, along with any corrections, before taking the corresponding proctored assessment.

### **Proctored Assessment:**

#### **Proctored Assessments**

These are proctored assessments/tests that will be given during class time. If student doesn't show up for the scheduled time, they will receive a zero-quiz grade. The student will still have to complete the assessment by making an appointment to take it in order to complete the course. Any practice assessment with remediation due within the same quarter of a proctored assessment must be completed and turned in before taking the corresponding proctored assessment.

There is no level assigned by ATI for dosage calculation proctored assessments. The score earned on the dosage calculation proctored assessment will be the score entered into the gradebook.

Obtaining a level 2 is the desired outcome of each proctored assessment. If a student receives a “level 1” or “below level 1” remediation may be assigned.

**\*\*Each practice or proctored assessment will be given a separate quiz grade according to the charts above\*\***

## ATI COMPREHENSIVE PREDICTOR ASSESSMENT POLICY

The ATI’s Comprehensive Predictor Assessment has been shown to have a strong correlation with a student’s performance on NCLEX-RN exam. The benchmark for a student is to achieve a minimum of 90% predicted probability of passing (PPP) NCLEX-RN. The comprehensive predictor is scored with a raw score percentage as well as predicted probability of passing NCLEX-RN.

Every student will be required to take the comprehensive predictor assessment during their scheduled time. **PLEASE NOTE IF YOU ARE TARDY** (greater than 15 minutes) or you have failed to correctly complete your remediation prior to the beginning of the predictor. **YOU WILL BE SENT HOME AND TIME WILL BE MADE UP AT THE DISCRETION OF THE INSTRUCTOR.**

On the first attempt in the event a minimum of 90% predicted probability of passing (PPP) is not achieved, the student must remediate according to the instructor’s guidance and retake the ATI comprehensive predictor assessment. Each student is given (2) opportunities to take the assessment to achieve a 90% predicted probability of passing (PPP). The second attempt is only given after required remediation.

If a student doesn’t achieve a minimum of 90% predicted probability of passing (PPP) on the second attempt, the student must meet with the instructor. Then the student with guidance of the instructor will develop a plan for NCLEX-RN success.

Please note that the ATI comprehensive predictor assessment is designed to evaluate your NCLEX-RN readiness. It is an EXCELLENT opportunity and students should take it seriously and strive to do their best.

**\*\*Please note any student who is caught cheating on any ATI assignments eg., copying another student's work, working as a group, or allowing the system to run unattended to accumulate time will be dismissed from the RN program for academic dishonesty\*\***

### **ATI LIVE REVIEW AND VIRTUAL ATI (VATI) POLICY**

Athena Career Academy provides an ATI comprehensive live review. Upon completion of the ATI comprehensive live review, student will be assigned a VATI personal coach. This VATI Coach will work with student until he/she is deemed ready to sit for the NCLEX-RN exam. Student will complete all weekly assignments, as directed by his/her VATI Coach. Student must receive a "Green Light" from their VATI Coach, indicating readiness, before taking the NCLEX-RN exam.

### **NCLEX-RN LICENSURE EXAM FEE POLICY**

Athena Career Academy will pay for a student's first attempt on the NCLEX-RN exam (See Estimated Licensure Fees) only if the below set guidelines are fulfilled:

- Student must attend all days **AND HOURS** of the ATI Live NCLEX Review
- Student must receive the "Green Light" from their VATI mentor **before** taking the NCLEX-RN exam.
- Student must take the NCLEX-RN exam within 30 days of receiving the "Green Light."
- Student must take the NCLEX-RN exam within 90 days of graduating from Athena Career Academy.
- Student must achieve the "Green Light" prior to Athena Career Academy paying for the initial NCLEX application.
- Student must achieve the "Green Light" prior to Athena Career Academy paying for the initial Pearson-Vue application fees.

In the event that a student does not meet **ALL** of the above guidelines, the student is then responsible for their own NCLEX-RN exam fees.

### **PROFESSIONAL BEHAVIOR AND LANGUAGE**

#### **Professional Behavior:**

Students are expected to demonstrate professional behavior at all times: in the clinical institutions, classrooms, laboratories, and in all areas on campus. Students are expected to

behave in a way that reflects the ANA Code of Ethics for Nurses and the policies and guidelines of Athena Career Academy and the clinical institutions. The instructor reserves the right to dismiss any student who disrupts the normal course of classroom learning. All students are to leave their learning space clean and neat at the conclusion of class.

It is expected that all students will respect and interact with fellow students, staff, and guests. Watson's science and beliefs of caring, mutual respect and understanding is to be maintained at all times, especially in matters of potential disagreement or conflict.

**Social Media:**

While social media can be an important venue for communication, the misuse of technology has been shown to create potential liability for students, faculty, and learning institutions. Posting certain types of information can be a violation of legal statutes and regulations. It can expose the offender to criminal as well as civil liability. Violations can result in disciplinary action and/or legal action by the school. Students should not post photos or videos of patients, families, faculty, peers, or clinical staff.

One must not post or communicate any patient related information which may potentially identify the individual. Removal of the patient's name does not solve the problem. Inclusion of gender, age, race, etc., may still allow the reader to identify an individual.

You must not communicate private academic information of another nursing student, including but not limited to grades, academic, or clinical performance, or adverse academic actions.

**Other Possible Violations:**

Violations that can result in disciplinary action also include:

- Vulgar Language
- Communications that demonstrate disrespect of any individual or group based upon age, race, gender, ethnicity, or sexual orientation.

Students are expected to attend all classroom experiences. Failure to do so may result in poor performance in theoretical knowledge and/or clinical application of material. Students are expected to make reasonable decisions about their own attendance and will be responsible for any poor test or clinical performance due to their decisions to miss class. It is the student's responsibility to maintain their own attendance hours. Athena will not issue attendance notifications or warnings related to attendance.

**Please note instructors are not required to admit students to the classroom after class has begun. You will be required to wait to enter the class until the next scheduled break and this time will be considered missed hours.**

**Please note if a student is found falsifying attendance records the program director will establish a plan of correction which may include dismissal from the program.**

Any student who is absent more than the maximum 20% of the theory clock hours for a course will receive a failing grade. The course will have to be repeated in its entirety the next quarter if applicable. (Please refer to the financial aid satisfactory academic progress policy for the financial aid obligations).

The student will be given a total of **TWO (2)** opportunities to satisfactorily complete any skill during a competency. If the attempt at the demonstration is satisfactory then the student may progress to the next skill demonstration and continue to participate in the clinical rotations. If the student is unsatisfactory in all **TWO (2)** attempts at competency, the student will be given an "**Unsatisfactory/Fail**" (U) mark and **cannot** progress to the next skill demonstration or continue to participate in the clinical rotations. Courtesy and cooperation help promote teamwork. The term "professional" is used to describe a person who can be trusted to maintain high personal standards, and is responsible and accountable for his/her own actions. (See Appendix A for professional guidelines.)

In the event a student has been accused of violating the code of student conduct, a thorough investigation will be conducted. The student may be placed on temporary suspension pending outcome of the investigation which may result in dismissal from the program. The student will be responsible for any time/material missed during the suspension.

## **WRITTEN DISCIPLINARY POLICY**

A student who is found to violate the student conduct policy, unethical conduct/unacceptable behavior/attitude policy, or any other written policies applicable to students will receive a written discipline per the following schedule.

Program Director will review the infraction and evidence, and will establish a plan of correction which may include dismissal from the program.

### **UNETHICAL CONDUCT/UNACCEPTABLE BEHAVIOR/ATTITUDE**

Ethics refers to the moral or philosophical principles that society uses to define actions as being right or wrong. Nursing ethics identify nurses' professional conduct in relation to clients, health team members and the community. Standards in the *Code of Ethics of the American Nurses Association* (ANA) provide guidelines for registered nurses and students.

A student who displays unethical conduct will be permanently dismissed from Athena Career Academy.

An undesirable behavior or attitude would be shown if the student refused to cooperate with co-workers or peers, causes dissension among classmates, co-workers or peers, uses profanity or vulgarity, and displays antagonism toward school personnel or classmates. These behaviors are unacceptable and may be grounds for immediate dismissal. No other verbal or written warnings are required other than the explanations in this handbook.

### **CONFIDENTIALITY**

The Health Insurance Portability and Accountability Act (HIPAA) legislates the rights of individuals and the obligations of health care providers (nurses and nursing students) in maintaining the confidentiality of health care information. Therefore, any violation of confidential statements during classroom activities, clinicals, or during the student's own private time will constitute grounds for **immediate dismissal**. This includes the transmission of such materials by any means (e.g. verbal, cell-phone, e-mail, Facebook, text, Twitter, etc.).

### **SAFETY POLICIES**

#### **Criminal Record Policy**

This policy serves to protect the clients, students, and staff of Athena Career Academy and clinical affiliation sites, and also provides for the safety and well-being of patients, for whom responsible care is our primary consideration.

All students will have a criminal record check completed prior to admission to the program and before taking the State Board exam. The student must obtain both a BCI&I and FBI fingerprinting. The Ohio Bureau of Criminal Identification will conduct the criminal records check. Students may be denied access to clinical sites due to a felony record.

The nursing boards reserve the right to refuse licensure to any person with a criminal record that indicated the person has entered a guilty plea, been convicted of, or has a judicial finding of guilt for committing any felony. It is the student's responsibility to contact their selected board of nursing if they feel they may have a record that could hamper their approval by the selected board of nursing.

Any misconduct on or off school property and/or clinical sites that is directly related to and impacts the welfare and morale of the school is within the scope of authority and the discretion of the Program Director with respect to discipline and/or program termination.

The applicant will be counseled regarding admission, clinical site availability, potential for employment, and potential licensure.

## **Alcohol and Drug Policy**

In the event a student is showing evidence of being under the influence of drugs or alcohol in the classroom or the clinical setting, it is Athena Career Academy's policy that the student must immediately complete the following:

- Provide a drug/alcohol screen at student's expense

No student will be allowed to return to campus or the clinical setting without supporting documentation of a negative alcohol and/or drug screen.

In the event of a positive alcohol screen or a positive drug screen for illicit street drugs, the student will be immediately dismissed from the program.

ACA reserves the right to conduct random drug and alcohol screenings. In the event a student fails the drug/alcohol screening he/she will be dismissed from the program.

## **Blood/Body Fluid Exposure Protocol**

Should a needle stick or any incident occur exposing a student to potentially infective blood and body fluids, this procedure should be followed: Immediately report the incident to the instructor, complete the required forms for variance according to facility protocol, and obtain emergency first aid care from the facility as per protocol. Contact your personal health care professional for follow-up. The individual student is responsible for drug therapy costs and subsequent follow up testing.

## **INSURANCE**

All students enrolled in Athena Career Academy LPN to RN PROGRAM are covered under Athena's liability insurance policy.

## **EMERGENCY MEDICAL FORMS**

All LPN to RN PROGRAM students will be requested to fill out an emergency medical form providing the staff with information about who to call in the event of an emergency. In the event of an emergency at Athena Career Academy or the designated clinical sites the faculty/staff will notify 911 for medical assistance.

## **HEALTH/MEDICAL CARE**

Students are expected to take proper care of their own health by maintaining proper sleep, exercise, and diet. All medical and dental appointments are to be made outside of program

hours. The LPN to RN PROGRAM will not be responsible for rendering any medical assistance or transportation due to liability reasons. The instructor reserves the right to request the student who exhibits signs or symptoms of illness to be seen by a physician. Students may be required to submit a physician's statement that they are able to resume nursing responsibilities before being permitted to return to the program. If an injury or illness alters a student's ability to meet the technical standards, that student will not be able to attend the classroom, lab, and/or clinical portion of the curriculum. Although a reasonable attempt to make accommodations will be made, the absence policy does remain in effect.

### **INJURY/ILLNESS/POSTPARTUM**

A student who is injured/ill while in class or the clinical area must report the injury/illness to their instructor immediately after the incident/illness occurs. Any injury even though it may seem minor, should be reported and an injury report must be completed. Students will be referred to emergency care at their own expense for injuries or illness, and will be referred to their physician for follow-up care. If any first aid or emergency care is required in connection with an injury or illness incurred by a student in the classroom/or clinical site, the faculty will report the emergency and dial 911, thereafter immediately notifying the Program Director at (419) 472-1150. Students must turn in a doctor's release form to be able to return to class. Because students are not covered by Workers Compensation by either the school or the clinical sites, each student will assume the financial responsibility for any illness or accident while enrolled in the program. If an injury occurs at a clinical site, the student must follow the policy and procedure for injury required by that facility. A student who has given birth must have doctor's release with no restrictions when returning to clinicals.

## **FINANCIAL AID INFORMATION**

### **Financial Assistance**

Financing your education is the most important investment you make in the preparation of your career. Sources of financing your education are:

1. Student Self-Help (Personal resources)
2. Parental Assistance (Parental resources)
3. Financial Aid Programs for those who qualify
4. Employee Reimbursement (Check with your employer's human resource department)

### **Applying for Financial Aid**

To begin the process of applying for financial aid, an online application or FAFSA (Free Application for Federal Student Aid) will need to be completed at [fafsa.ed.gov](https://fafsa.ed.gov). A FSA ID will need to be requested beforehand at <https://fsaid.ed.gov>. Please be sure to include the Athena Career Academy Federal School Code which is 041922 under the "schools you wish to receive your financial aid information".

### **Entrance Counseling and Master Promissory Note**

Entrance Counseling and the Master Promissory Note is a requirement to complete the financial aid process. Borrowers can gain access to Entrance Counseling and the Master Promissory Note at [www.studentloans.gov](http://www.studentloans.gov). You will need your FSA ID to log in.

### **What is Federal Student Aid?**

Federal student aid, or Title IV, comes from the federal government—specifically, the U.S. Department of Education. It's money that helps a student pay for education expenses at a postsecondary school (e.g., college, vocational school, graduate school).

### **Federal Pell Grant**

The Federal Pell Grant usually doesn't have to be repaid. It is based on the student's financial need.

### **The Direct Loan Program**

The U.S. Department of Education provides loans through the Direct Loan Program to eligible students at participating schools to help them pay for education after high school. Direct Loans include the following: Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans. You repay your Direct Loan to the U.S. Department of

Education. More specific information about the different types of loans can be found when completing the online Entrance Counseling.

### **Parent PLUS Loans**

Parents of students may borrow up to the cost of education minus any other financial aid per year for each student who is a dependent undergraduate attending at least part-time. A credit check will be conducted to determine the parent's credit history.

### **Exit Counseling**

Exit Counseling must be completed prior to graduation, a school withdraw, or dropping below half-time enrollment status. Borrowers can gain access to Exit Counseling at [www.studentloans.gov](http://www.studentloans.gov). You will need your FSA ID to log in.

### **Other Programs**

The following specialized programs are also available: Athena Partnership Plus Grant, Athena Employee Dependent Grant, Athena Retake Grant, Lucas County Workforce Development Agency and Michigan's Workforce Development System. Funding through these agencies is limited. Apply to the agency as early as you can. Local service clubs, businesses, churches, and community groups may offer some assistance.

Athena Partnership Plus Grant recipients must meet the following criteria:

1. Meet all admissions requirements as set forth in the student handbook.
2. Be enrolled with Athena Career Academy prior to application.
3. Meet the standards of academic progress as outlined in the student handbook.
4. Must be a graduate of one of the following Ohio High Schools: Fairview (Fairview Park), North Olmsted, Olmsted Falls, Berea-Midpark, Brooklyn, and/or Polaris Career Center.

For more information about the Athena Partnership Plus Grant, please see an Admissions or a Financial Aid Representative.

### **Payment Policy**

The school accepts the following forms of payment: cash, money order, Master Card, Visa, Discover, and American Express. Students who are receiving financial assistance from any agency or funding source must be advised that it is their responsibility to make sure that all proper paperwork remains compliant so that the school receives the proper tuition fees. All tuition and fees are the responsibility of the student regardless of anticipated grants and/or student loans. If you are set up on a monthly payment agreement, you will need to be current on your payments to be able to progress to the next quarter, or to receive your transcripts, course grades, and diploma upon graduating. Payments are typically due on the 20<sup>th</sup> of every month. A \$15.00 late fee will be applied to all payments made after the due date.

## **Satisfactory Academic Progress**

### **Satisfactory Academic Progress Policy**

Federal financial aid, also referred to as Title IV Funds, is awarded to a student contingent upon that student attending classes and successfully completing an entire payment period. Payment periods determine when funds are disbursed and the exact amount to be disbursed. There are three financial aid payment periods for the LPN to RN Program: the first payment period is 0-450 clock hours of the program, the second payment period is 451-900 clock hours of the program, and the third 901-1300 clock hours all in accordance with this Satisfactory Academic Progress Policy and other school published policies and procedures.

The LPN to RN Program academic year consists of 52 weeks of instruction for students enrolled in the day program and attending an average of 35-40 clock hours per week.

### **Definition of Satisfactory Academic Progress:**

All enrolled students are required to maintain satisfactory academic progress towards meeting the established graduation requirements of the LPN to RN program. A student must meet each of the following qualitative and quantitative standards to demonstrate satisfactory academic progress:

**Qualitative:** A student must have a minimum cumulative grade point average of C (75%)

**Quantitative:** A student must attend at least 80% of the scheduled class hours on a cumulative basis during each evaluation period

### **Increments for Evaluation**

Satisfactory academic progress is to be evaluated at the following time periods to determine eligibility of disbursements for students receiving Financial Aid (Title IV Funds):

- At the point when the student has completed 451 clock hours and 13 weeks of instruction
- At the point when the student has completed 901 clock hours and 26 weeks of instruction

Students will be provided progress reports containing both their academic (qualitative) and attendance (quantitative) results when SAP is evaluated.

### **Maximum Time for Completion:**

Students will have a maximum of 125% of the normally allotted scheduled calendar time to complete their program of study. Maximum Time Frame is measured in units attempted. Grades of F, I (Incomplete) or W (Withdrawal) are considered attempted units and are included when calculating Maximum Time Frame. If it is determined that a student will not be able to complete the program because of class(es) failure(s) within the maximum time frame, the student

will no longer be eligible for Title IV funds. *Example a 1300 clock hour program mtf for 125% would be 1625 hours and 60 weeks if the benchmark was 48 weeks*

### **Financial Aid Warning**

Any student failing to achieve SAP as defined above at the end of the first payment period will be placed on Financial Aid Warning for the following payment period. A Financial Aid Warning allows a student to receive his/her financial aid disbursement for the first payment period, without an appeal or any other action from the student.

A student assigned a Financial Aid Warning will be notified of this status and the steps necessary to be removed from warning status. The documentation will be provided to the student in person or via email if the student has not attended classes on two consecutive days following the school's determination of his/her placement on Financial Aid Warning. A student receiving Title IV, federal student aid will lose his/her financial aid eligibility if SAP has not been met at the end of the Financial Aid Warning period.

### **Appeal Process**

A student who does not meet the satisfactory academic progress standards at the end of the second payment period will have his/her Title IV Funds terminated. A student may submit a written appeal of his or her Title IV termination within five calendar days of the receipt of the dismissal notice. The appeal must be accompanied by documentation of the mitigating circumstances that have prevented the student from attaining satisfactory academic progress and evidence that changes have occurred to allow the student to now meet standards of satisfactory academic progress. Only extraordinary conditions will be considered, such as an injury or illness of the student, the death of a relative or other special circumstances. Before an appeal may be granted, a written academic plan will be provided to the student which clearly identifies a viable plan for the student to successfully complete the program within the maximum time frame allowed.

The Executive Director or designee will assess all appeals and determine whether the student may be permitted to continue in the program on probationary status. The student will be sent the written decision within five calendar days of the school's receipt of the appeal. The decision of the Executive Director or designee is final.

### **Financial Aid Probation**

A student reinstated upon appeal is on financial aid probationary status during which time he/she must meet the terms and conditions set out in the letter granting the appeal. A student on financial aid probation may continue to receive Title IV Funds.

### **Reinstatement**

A student will be reinstated if he/she prevails upon appeal or at such time that he/she regains satisfactory academic progress by meeting the defined standard.

## **Refund Policy**

If a student is not accepted into the training program, all program costs paid by the student shall be refunded. Refunds for books, supplies, and consumable fees shall be made in accordance with Ohio Administrative Code section 3332-1-10.1. Refunds for tuition and refundable fees shall be made in accordance with the following provisions as established by Ohio Administrative Code section 3332-1-10:

1. A student who starts class and withdraws within the **five (5)** day cancellation period shall be obligated for the registration fee.
2. A student who starts class and withdraws before the academic term is **15%** completed will be obligated for **25%** of the tuition and refundable fees plus the registration fee.
3. A student who starts class and withdraws after the academic term is **15%** completed but before the academic term is **25%** completed will be obligated for **50%** of the tuition and refundable fees plus the registration fee.
4. A student who starts class and withdraws after the academic term is **25%** completed but before the academic term is **40%** completed will be obligated for **75%** of the tuition and refundable fees plus the registration fee.
5. A student who starts class and withdraws after the academic term is **40%** completed will not be entitled to a refund of the tuition and fees.

The school shall make the appropriate refund within **Thirty (30)** days of the date the school is able to determine that a student has withdrawn or has been terminated from a program. Refunds shall be based upon the last date of the student's attendance or participation in an academic school activity.

## **Return of Title IV Financial Aid Funds**

If a student withdraws or stops attending all of their classes within a quarter, federal financial aid regulations require that a calculation be done on financial aid funds received for that payment period. The financial aid is calculated based on the student's last day of attendance and any unearned aid must be returned to the federal government. Federal financial aid is not **100%** earned until the attendance has exceeded **60%** of the payment period. As a result of the calculation, a student may be responsible to pay tuition charges that were originally covered by financial aid funds that the school was required to return.

Students should contact the Financial Aid Office at the school for additional information about the R2T4 (Return to Title IV) calculation.

*(% of enrollment that is completed) X (the total Title IV funds disbursed) + the Title IV funds that could have been disbursed by federal guidelines = the amount of Title IV aid earned.*

Any Title IV aid that is unearned must be returned. If the student does not receive the full Title IV that he/she earned, then a post withdrawal disbursement may be made. If a student is entitled to a post-withdrawal loan disbursement, the borrower must respond to Athena's Financial Aid Office notice of the intended disbursement within 14 days.

Refunds from the student accounts for unearned student aid will be repaid in the following order:

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct PLUS Loan
4. Federal Pell Grant
5. Employer
6. Student

All refunds are made within 45 days of the date of the school's determination of withdrawal. For refund purposes, institutional charges according to the federal guidelines are tuition, lab fees, textbooks, supplies, uniforms, and graduation fees.
